E. The findings and the corrective measures taken by the investigating agency or agencies, with any other information deemed appropriate, shall be reviewed by the Board for the purpose of improving the standards imposed for licensing, for decisions on revocation or suspension of license or other disciplinary actions, and for assessing the qualifications for relicensure of an administrator.

F. Information pertaining to a complaint shall be kept in a confidential file. A cross-reference shall be kept in the administrator's file so that all complaint information may be re-evaluated if a subsequent complaint is received.

(5) Intentional or knowing, direct or indirect, violation of or the aiding and abetting in the violation of this article or a regulation promulgated under this article;

A person so suspended must be reinstated immediately upon the filing of a certificate that the conviction has been reversed. The reinstatement does not terminate a disciplinary action pending against the person.
