Human Affairs Commission

Nothing short of a nightmare. Investigators that lie to respondents about their rights under the FHA. I checked with 3 attorneys before filing my complaint and the investigator told me they were ALL wrong. Investigator made no effort to investigate my case an when I made a complaint in writing my case was immediately closed and I'm now being evicted. Lie to by investigator, supervisor and pressured to except a comprmise that was removed when I wrote a complaint letter to the oversight committee . Tax payers are being ripped off with this agency! I will be attending any public meetings when this agency goes up for study!
