## Page 2: About Agencies Scheduled for Study

**Q1** Please share any comments, suggestions or concerns you may have about these agencies. Please note your responses will be posted online and may be included in a Committee report.

Human Affairs Commission

I left the agency and I was not offered a retention. I had been an investigator and left due to ill treatment by the agency. Yes, i was offered more money but I began looking to leave the agency because of the unfair treatment I received. I was hoping to be offered retention so I could stay and use my talents but that did not happen. Only CERTAIN employees are offered retention. Very subjective "process". P.S. Employees do not receive policies and procedures. No handbook and nothing online to access policies and procedures.
