

**SCDMH Monthly Dashboard  
Summary**

Individuals signing below affirm, under oath pursuant to SC Code 2-2-70, the information contained in this document is accurate as of the date listed, and there is supporting documentation, if requested.

Accurate as of the following date:

Agency Director:

Source of Data:

DMH Inpatient Facilities: Patient Utilization	Fiscal Year-to-Date				
	Total Bed Count	Avg. Daily Census	Avg. Length of Stay	Admissions	Discharges
Bryan Psychiatric Hospital - Adult Services [200 licensed beds]	200	147	357	154	183
Bryan Psychiatric Hospital - Forensic Services [279 licensed beds]	213	189	212	207	247
Bryan Psychiatric Hospital - Hall Psychiatric Institute - Child and Adolescent Hospital [51 licensed beds]	51	24	34	398	401
Morris Village Alcohol and Drug Addiction Treatment Facility [174 licensed beds]	103	71	25	1013	1075
Patrick B. Harris Psychiatric Hospital [200 licensed beds]	131	121	168	173	192

**Note:** The total bed count is the total number of functional beds at each listed facility. The number of "licensed" psychiatric beds a hospital has does not equal the number of "functional" beds: beds which are actually in use and available for prospective patients.

DMH Inpatient Facilities: Registered Nurse Staffing	Fiscal Year-to-Date			
	Staffing Ratio (Agency Policy) Patient/Registered Nurse (RN)	Actual Ratio Patient/Registered Nurse (RN)	Budgeted RN FTEs	Actual RN FTEs
Bryan Psychiatric Hospital - Adult Services	12 pts to 1 RN	11.2 pts to 1 RN	42.84	38.8
Bryan Psychiatric Hospital - Forensic Services	15 pts to 1 RN	15 pts to 1 RN	29 (Contracted)	29 (Contracted)
Bryan Psychiatric Hospital - Hall Psychiatric Institute - Child and Adolescent Hospital	6 pts to 1 RN	5.6 pts to 1 RN	41	16.2
Morris Village Alcohol and Drug Addiction Treatment Facility	12 pts to 1 RN	12 pts to 1 RN	31.2	17.3
Patrick B. Harris Psychiatric Hospital	12 pts to 1 RN	12 pts to 1 RN	62.2	42.2

**Note:** SCDMH facility nurse staffing standards are defined in SCDMH Division of Inpatient Services (DIS) Nursing policy and meet Centers for Medicare & Medicaid Services, Joint Commission, and or Commission on Accreditation of Rehabilitation Facilities standards. Several factors influence this ratio: Patient acuity/complexity; Number of admissions, discharges and off campus appointments on lodge/unit; Skill level of staff and skill mix; Physical environment of the nursing unit/lodge.

DMH Inpatient Facility Quality Measures: Enter number of occurrences in the reporting period column.

Metric	Reporting Period	Reporting Period	Reporting Period	Reporting Period	Year-to-Date	Notes
	Q1 - 2020	Q2 - 2020	Q3 - 2020	Q4 - 2020		
Episodes of Restraint	33	26			59	A restraint is— (A) Any manual method, physical or mechanical device, material, or equipment that immobilizes or reduces the ability of a patient to move his or her arms, legs, body, or head freely. Defined in Division of Inpatient Services (DIS) Policy and Procedure Directive PC 6, Seclusion and Restraint from Centers for Medicare and Medicaid Services Code of Federal Regulations - 42 CFR 482.13(e)(1).
Episodes of Seclusion	41	39			80	Seclusion is the involuntary confinement of a patient alone in a room or area from which the patient is physically prevented from leaving. Defined in DIS Policy and Procedure Directive PC 6, Seclusion and Restraint from Centers for Medicare and Medicaid Services Code of Federal Regulations - 42 CFR 482.13(e)(1).
Episodes of Falls	41	50			91	Sudden, uncontrolled, unintentional, downward displacement of the body to the ground or other object, excluding falls resulting from violent blows or other purposeful action. DIS Policy PI 2.
Falls with Injury	2	1			3	Falls with Injury are defined as injury requiring treatment beyond first aid.
Discharges (Against Medical Advice)	0	0			0	Discharge against the advice of the treating medical practitioner.
Medication Errors	18	32			50	Does not include adverse reactions or medication events unrelated to errors. Medication errors are provided by Pharmacy Staff as defined in Policy MM 5. A medication error is any preventable event that may cause or lead to inappropriate medication use or patient harm while the medication is in the control of the healthcare professional, patient, or consumer. Such events may be related to professional practice, health care products, procedures, and systems, including prescribing; order communication; product labeling, packaging, and nomenclature; compounding; dispensing; distribution; administration; education; monitoring; and use. Adapted from NCCMERP (National Coordinating Council for Medication Error Reporting and Prevention).
Elopements	0	0			0	Any patient's unauthorized absence from the physical campus of SCDMH, regardless of length of time absent.
Suicide Attempts	1	0			1	Self-directed, potential self-injurious behavior with intent to die as a result of the behavior. It may or may not result in injury or death. Based on the definition in the SCDMH DIS Suicide Care Pathway Protocol.
Episodes of Aggression/Violence	63	66			129	Any event of actual physical contact between any parties (patients, staff, visitors), whether or not it results in injury.
Patient Injury	1	1			2	Patient injury is defined as any injury requiring treatment beyond first aid.
Staff Injury	1	6			7	Staff injury is any employee self-report of injury as recorded on P-16 form.
Patient Deaths	0	0			0	All patient deaths regardless of cause.
(1) death or serious injury associated with restraints	0	0			0	Any significant impairment of the physical condition of the resident caused by a restraint, as determined by qualified medical personnel. This includes, but is not limited to, burns, lacerations, bone fractures, substantial hematoma, and injuries to internal organs, whether self-inflicted or inflicted by someone else. Based on the definition per SC DHHS.
(2) death or significant injury resulting from a physical assault	0	0			0	Any significant impairment of the physical condition of the resident caused by physical assault, as determined by qualified medical personnel. This includes, but is not limited to, burns, lacerations, bone fractures, substantial hematoma, and injuries to internal organs, whether self-inflicted or inflicted by someone else. Based on the definition per SC DHHS.
Readmissions within 30 Days	0	0			0	Readmission data for DIS (Bryan Adult and Forensics, Morris Village, and Hall) only includes patients who are readmitted to DIS facilities. Re-admission data to Harris only includes Harris patients who are readmitted to Harris.
Sexual assault of any type involving any person while under the care of Bryan Psychiatric Hospital - Adult Services.	0	0			0	Criminal sexual assault (non-consensual) is defined as acts in which an individual is forced to engage in sexual activity by use of threats or other fear tactics, or in which the individual is physically unable to decline. Acts could include but are not limited to actual or attempted intercourse (vaginal or anal), oral sex, or direct touching of the genitals, thighs, buttocks or breasts of an individual (actual assaults versus allegations). Data from reports made pursuant to "Sexual Activity Between Patients" PC 13.
Abuse (sexual) allegation of a patient (actual or suspected) of any degree or nature.	1	0			1	Includes any allegation (by staff, patient, visitor) of sexual abuse of a patient (verbal or physical) by any other person (staff, patient or visitor). Data from M-300 – "Unusual Occurrence Reporting System" PI 2.
Sexual harassment of a patient or staff member reported to management.	0	5			5	Incidents reported by DMH Central Human Resources.
