State Treasurer

The position of State Treasurer should appointed. The State of SC had too many issues with Treasurer Loftis. The Comptroller General has many times stated that the positions of Treasurer and Comptroller should be combined and appointed by the Governor , confirmed by the Senate, the House or both. With qualifications to do the jobs , and to serve and protect...No more issues with an elected official with no qualification professional and personal to do the job. A law to change these 2 positions would serve the tax payers of SC.
