## **AGENCY’S DISCUSSION AND ANALYSIS**

### **Physical Location and Description**

University of South Carolina Lancaster (USCL) is a regional USC Palmetto College campus. Physically, USCL consists of three sites: The main campus is in the City of Lancaster, the Native American Studies Center is two miles south of the main campus in downtown Lancaster, and the Indian Land location is 18 miles north of the main campus. Additionally, USCL offers dual credit courses at 16 South Carolina high schools.

The USCL main campus consists of eight buildings. Founders Hall, Hubbard Hall, and the Bradley Arts and Sciences Building contain faculty offices and instructional spaces. Besides standard classrooms, there are three large lecture halls, two auditoriums, five instructional computer labs, an iCarolina learning lab, an art studio and gallery, five science laboratories, and a nursing simulation laboratory. In 2022-2023, Steven’s auditorium was renovated to support our growing theater program; a gaming room was created for the Gaming Lancers esports team; and a graphic design lab was equipped to support our graphic design courses. USCL hosts public events in these buildings, including theater performances, art gallery receptions, and K-12 partnership programs. The Lancaster community also has access to high-speed internet and technological training in the iCarolina lab.

Medford Library is an academic library that is open to the public. The librarians provide access to physical and digital media, teach students to conduct research using library resources, and host library-related events. The library has public access computers as well as an instructional computer lab. The library building is also home to the Academic Success Center (ASC) and TRiO programs. The ASC is a free tutoring lab and writing center where USCL students develop their learning and writing skills. TRiO programs are federally funded programs designed to support students who face challenging circumstances. These include students who are first-generation college students, students with disabilities, and students from low-income households. Most USCL students qualify for TRiO services.

Starr Hall is dedicated to student services. These include Financial Aid, the Business Office, Disability Accommodations, Student Life, the bookstore, and the Student Center. Additional student services are located in other buildings: Counselling Services is in the Bradley Building, while security and parking enforcement has its own building.

USCL’s main campus is the home of Gregory Family YMCA. In addition to cardio and weight training equipment, the YMCA has handball, racquetball, volleyball, pickleball, and tennis courts, and an indoor swimming pool. The YMCA offers group exercise classes, swim lessons, and Livestrong programs for cancer survivors. The Carole Ray Dowling building contains an exercise science laboratory and a community room used for special events.

The Native American Studies Center (NASC), located downtown, is a top attraction in the Lancaster area. It consists of a large gallery, archaeological research spaces, and faculty offices. The gallery is

<b>AGENCY NAME:</b>	<b>University of South Carolina Lancaster</b>		
<b>AGENCY CODE:</b>	<b>H370</b>	<b>SECTION:</b>	<b>020E</b>

open to the public. The NASC hosts a lunch-and-learn series that attracts tourists and locals alike to downtown Lancaster. NASC also hosts special events, like Native American Studies week and Native American craft shows.

The northern panhandle of Lancaster County has one of the fastest growing populations in South Carolina. In 2018, USCL began offering classes in the town of Indian Land, SC to accommodate the growing demand for classes in this area. USCL established a permanent location in Indian Land in Fall 2022 that consists of four classrooms, office space, restrooms, and storage. USCL has partnered with two active adult communities, Sun City and Tree Tops, to offer educational opportunities to members of those communities. In January 2023, USCL hired a Director of Community Outreach, focused on increasing our services in the Indian Land area.

**Academic Profile**

The website Niche.com ranks universities based on several key criteria including academics, cost, facilities, and faculty credentials. For the past six years USCL has been ranked the #1 community college in South Carolina and is in the 96<sup>th</sup> percentile of community colleges across the United States.

USCL offers four associate degrees: Associate of Arts, Associate of Sciences, Associate of Science in Business, and Associate of Science in Criminal Justice. Students can remain on the Lancaster campus to earn baccalaureate degrees through USCL’s partnerships. USCL partners with the USC College of Nursing to offer a Bachelor of Science in Nursing (BSN) degree, which is ranked the #1 best RN program in South Carolina by RegisteredNursing.org. USCL is a regional USC Palmetto College campus. Palmetto College offers baccalaureate degree-completion programs online. Students who enroll in Palmetto College through USCL work towards a bachelor’s degree in one of 30 majors while benefiting from student services available on the Lancaster campus.

**Risk Assessment and Mitigation Strategies**

USC Lancaster participates in the USC Enterprise Risk Management Program (ERM), which was established with the guidance of the International Standards Organization, ensuring that any and all forms of risk are managed in a systematic, transparent, and credible manner. Risk is routinely considered in long- and short-term institutional planning. USCL is the primary higher education institute in the Lancaster area, and so failing to accomplish our goals and objectives would negatively impact the statewide enterprise objective to elevate the level of educational preparedness of South Carolinians. USCL offers opportunities for a high-quality education at an affordable price. Therefore, failure to accomplish our goals would further disadvantage the most economically vulnerable citizens of our service area. Moreover, our Bachelor of Science in Nursing collaborative program is instrumental for offering high quality nursing care for our region. Failure to accomplish our goals with this community would negatively impact the health and wellbeing of South Carolinians. To mitigate such negative impacts, our agency may require state funding to the general operating funds budget, increases in the amount allocated for dual enrollment tuition for high school students, and increases to

<b>AGENCY NAME:</b>	<b>University of South Carolina Lancaster</b>		
<b>AGENCY CODE:</b>	<b>H370</b>	<b>SECTION:</b>	<b>020E</b>

in-state scholarship money available to students. Specifically, the General Assembly could help resolve potential issues in the following three ways:

1. Increase allocations to the general operating funds.
2. Increase the amount of revenue provided for dual credit students.
3. Increase state scholarship funds.

**State Agency Strategic Plan and Measures**

**1.1. Attract and retain a highly qualified, appropriately sized, and diverse student body**

As a state agency, USCL primarily works towards the statewide enterprise strategic objective of Education, Training, and Human Development. The objective states that we should strive to elevate the level of educational preparedness of South Carolinians. The first step we take towards this objective is to attract a student body that is representative of our service area. We schedule regular recruitment efforts throughout our service area and provide outstanding admissions and enrollment support to all students. One way we measure our success in recruitment is by counting the total number of applications for admission. In Fall 2022 we received 2452 applications, meeting our target of 2300 or more. We also count the total number of students who register for classes. This is called the *headcount*. In Fall 2022, our headcount was 1680, meeting our target of 1640 or more.

Our next step towards elevating the level of educational preparedness of South Carolinians is to retain registered students until they graduate or successfully transfer to a different university. The most recently calculated retention rate of first-time, full-time, degree-seeking freshmen reported by the SC Commission on Higher Education (CHE) is not from FY2022-2023. It shows the proportion of freshmen retained from Fall 2020 to Fall 2021. The rate was 49.5%, meeting our target of 46.6% or more. In FY2022-2023 USCL awarded 154 associate degrees, meeting our target of 130 or more. SC CHE’s most recently reported graduation rate of first-time, full-time, degree-seeking undergraduates is for the 2018 cohort. It was 21.9%, meeting our target of 21% or more. USCL uses the SC CHE definition of student success, which applies to *150% of program time*: For associate degrees 150% of program time is 3 years; for bachelor’s degrees it is 6 years. For each cohort of students, the *success rate* is calculated by counting the number of students who graduate or successfully transfer to a different institution within 150% of program time, as well as those who remain at the same institution the fall after 150% of program time. The total is divided by the size of the cohort. Like the retention rate, the most recently calculated success rate reported by the SC CHE is not from FY2022-2023. It is for the 2018 cohort, for whom 150% of program time ended in 2021. USCL attained a 65% success rate, slightly less than our target of 66.4% or more.

**1.2. Provide the highest quality of rigorous instruction and student-centric educational experiences to all students**

One approach USCL takes to increasing retention is to maintain a low student-to-faculty ratio, thereby allowing students and faculty to have meaningful interactions. The National Center for Educational

<b>AGENCY NAME:</b>	<b>University of South Carolina Lancaster</b>		
<b>AGENCY CODE:</b>	<b>H370</b>	<b>SECTION:</b>	<b>020E</b>

Statistics recommends a student-to-faculty ratio of 18-to-1 or less. In FY2022-2023, USCL’s ratio was 16-to-1, meeting our target. Beyond interacting with their instructors, USCL students also have access to the Academic Success Center (ASC). The ASC offers free tutoring from well-qualified staff as well as a Writing Center dedicated to developing students’ writing skills. During FY2022-2023 the ASC held 546 tutoring sessions, meeting our target of 510 or more. While the ASC is available to all students, TRiO programs are federally funded programs that support first-generation college students, students who come from low-income households, and students with disabilities. TRiO programs provide qualified students with academic support including tutoring and advisement. They also host community-building activities and events that allow students to support each other and support the Lancaster community. Besides the ASC and TRiO, all USCL students have access to a wide range of support services, including disability accommodations and personal counselling.

**2.1. Recruit and develop diverse faculty members who are excellent instructors and recognized scholars with a breadth of experience**

We strive to offer our students a first-rate education, which means hiring and retaining first-rate faculty and staff. In Fall 2022, our faculty consisted of 54 full time faculty members, along with two deans who teach part time, and three retired faculty members who continue to teach full time. For Fall 2022, USCL hired an archivist as well as five teaching faculty specializing in art and graphic design, history and Native American studies, English, psychology, and nursing.

The normal teaching load for each faculty member is equivalent to 12 credit hours per semester. This typically consists of four courses per semester but may vary slightly depending on the academic discipline. Faculty members who engage in scholarly research may request a workload reduction equivalent to a one-course reduction per year.

USCL encourages faculty to engage in professional development activities that enhance their teaching and research. These activities include off-campus opportunities through the USC Center for Teaching Excellence, as well as conferences and workshops hosted by academic societies. USCL also hosts on-campus professional development activities to support student success and retention. USCL recently adopted Target X Retention software, which allows USCL faculty and staff to use a data-driven approach to improve student retention, success, and graduation rates. In FY2022-2023, ten faculty and staff were trained to use Target X. USCL intends to continue adopting new tools and strategies to increase communication between faculty, staff, and students, with the goal of enhancing the student experience and increasing student success and retention.

**3.1 Promote research excellence and innovation**

To promote research, USCL increased the combined budgets for professional travel and for the Research and Productive Scholarship (RPS) award program to \$92,250. These programs support faculty research and travel to scholarly conferences. In 2022-2023, six faculty members were awarded RPS grants in the areas of Art, English, Mathematics, Nursing, Psychology, and Theater.

<b>AGENCY NAME:</b>	<b>University of South Carolina Lancaster</b>		
<b>AGENCY CODE:</b>	<b>H370</b>	<b>SECTION:</b>	<b>020E</b>

Both students and the university benefit from a faculty member’s scholarly research: the faculty member and the university gain recognition by outside professional organizations; the faculty member may be awarded external funding by way of grants; and students experience cutting-edge advances in the faculty member’s area of research. The USC Office of the Vice President for Research hosts the RISE grant program, a competitive program that funds faculty research and scholarly activities during the summer months. In FY2022-2023 two USCL faculty members were awarded RISE grants in the areas of English and History. During FY2022-2023, USCL faculty disseminated their scholarship through 29 publications, 101 presentations, and 18 creative works. They were awarded 27 grants, mentored 25 students in research, and participated in 161 other scholarly activities, including peer-review of scholarly work and professional consultations.

At USCL, faculty engage students in research through the Research Club and USC-sponsored grants, such as the Magellan and PURE grant programs. Students may earn one or both graduation honors: Graduation with Leadership Distinction (GLD) and Undergraduate Research Honors. In 2022-2023 four USCL students graduated with leadership distinction (GLD) and one graduated with Undergraduate Research Honors. During the academic year, USCL held several events dedicated to cultivating undergraduate research. These activities can be organized into five categories.

1. Faculty members presented their own research projects to a student audience.
2. Students presented their own faculty-guided research projects to a student audience.
3. Faculty and staff held workshops to support student research. These included teaching students to use research tools, best practices in research, how to present research results, etc.
4. Students who graduated with leadership distinction (GLD) presented their e-Portfolios.
5. Students presented their projects at the Discover USC research conference.

USCL also offers several courses focused on research. These classes underwent an evaluation process and were given the *GLD: Research* attribute. In FY2022-2023 USCL offered seven *GLD: Research* courses, meeting our target of four or more. These courses were in the following subject areas: biology, chemistry, criminal justice, English, psychology, theater, and university-level research methods.

**4.1 Create, promote, support and assess a campus culture/climate that embodies our Carolina Creed and makes every member of our university feel that they are valued and affirmed**

It is vital to create a campus atmosphere in which students are valued and have the opportunity to give back to their local communities. USCL’s Student Life hosts two campuswide festivals, Welcome Week and Spring Fling, to give students an opportunity to network and to learn more about USCL resources and opportunities. Student Life, Medford Library, TRiO programs, and the Native American Studies Center host a variety of cultural events throughout the year, such as celebrations of Black, Hispanic, and Native American cultures, recognition of first generation college students, and commemoration the signing of the US Constitution. USCL hosts events to raise awareness of a variety of social issues

<b>AGENCY NAME:</b>	<b>University of South Carolina Lancaster</b>		
<b>AGENCY CODE:</b>	<b>H370</b>	<b>SECTION:</b>	<b>020E</b>

such as mental health, civic responsibility, and crime prevention. Students are given ample opportunities to support the local community through blood and supplies drives that benefit local service organizations and K12 schools.

The USCL Native American Studies Center (NASC) hosts a lunch-and-learn series, an artist-in-residence program, art gallery receptions, an archaeology lab, and craft shows that are open to the public. In 2022-2023, NASC hosted 3509 visitors, including USCL students and members of the public.

USCL offers courses with the attributes *GLD: Diversity and Social Advocacy*, and *GLD: Global Learning*, as well as courses connected to travel-study. All GLD courses undergo a review process to earn these attributes. In FY2022-2023, USCL offered eleven courses with these attributes as well as two travel-study courses, meeting our goal of offering eleven or more. These included classes in anthropology, art history, criminal justice, English, history, philosophy, public health, and sociology. Lancaster County supports USCL’s efforts to broaden students’ experiences. The Lancaster County Commission on Higher Education has allocated \$60,000 to help defray travel-study costs for eligible students.

The Lancaster community benefits from USCL student participation in the arts and athletics. There are art exhibits on the main campus as well as the Native American Studies Center. The Lancaster Players perform public plays throughout the year that are very well received. USCL has four NJCAA athletic teams: baseball, men’s soccer, women’s soccer, and women’s volleyball. In FY2022-2023, the baseball team ended as Region 10 Division 1 Runner Up, with five student athletes earning post-season awards.

**5.1 Leverage the university system to provide accelerated, lower cost multi-degree options for students**

Although USCL is primarily a two-year college, our students can earn baccalaureate degrees through our partnerships with USC College of Nursing and Palmetto College. In FY2022-2023, the Bachelor of Science in Nursing (BSN) program, offered through the College of Nursing, met their target of enrolling 46 or more students in the upper-level program. Lancaster students can enroll in any one of 30 degree-completion programs through Palmetto College. Two of these degrees, the Bachelor of Liberal Studies (BLS) and the Bachelor of Organizational Leadership (BOL), are accredited through Palmetto College. The remaining degrees are accredited through other USC campuses. In Fall 2022, sixty Lancaster students were enrolled in the BLS and BOL programs.

**6.1 Expand community partnerships to create business opportunities, develop new relationships, and increase experiential learning**

To aid in student success in a job or career, USCL hosts two career-oriented lecture series: Careers in Science and Careers in Business. These series allow current students to make connections with people working in their chosen career.

USCL also offers many courses with the attributes of *Experiential Learning*, *GLD: Internship*, *GLD: Community Service*, and *GLD: Professional and Civic Engagement*. These courses underwent an evaluation process in order to earn their attributes. In FY2022-2023 we met our goal of offering 17 or

<b>AGENCY NAME:</b>	<b>University of South Carolina Lancaster</b>		
<b>AGENCY CODE:</b>	<b>H370</b>	<b>SECTION:</b>	<b>020E</b>

more courses with these attributes. We offered 21 courses in the subject areas of anthropology, criminal justice, educational psychology, English, information technology, management, internships, service-learning, leadership, philosophy, psychology, sociology, and speech.

USCL also provides support services for students pursuing employment. USCL’s Career Services offers career coaching, help in writing resumes, and mock interviews. USCL’s Internship Director uses Handshake, a database that provides access to internships and jobs. In FY2022-2023, eleven students were accepted to internship positions through this tool, meeting our target of eight or more.

**7.1 Provide a physical campus that supports the academic and student life needs of the modern and future university while ensuring safety of the university community**

Besides education, USCL also contributes to the statewide enterprise objective of Public Infrastructure and Economic Development. The objective states, in part, that we should build a world-class and safe public infrastructure to enhance the quality of life of our citizens. One way we achieve this goal is to strengthen the campus’ financial condition. We measure this in two ways. The first is to consider the USCL reserve-fund carry-forward amount. Our target is to increase this reserve so that we maintain an amount equal to or greater than three months of our operating cost. During FY2022-2023 USCL increased the reserve fund by 5% to \$5,343,661.00, meeting our target of \$5,322,704.00 or more. Another measure we use is the expenses-to-budget ratio. This shows the relative size of the total expenses incurred compared to the total budget resources. A small ratio is desirable. In FY2022-2023 our expenses-to-budget ratio was 98.1%, meeting our goal of 98.2% or less.

USCL also strives to grow fundraising and external funding activities to enhance the campus’ scholarship and academic programs. In FY2022-2023 there were 172 endowed scholarship and special purposes funds held by the Educational Foundation of USC Lancaster, meeting our target of 167 or more. USCL also participated in four major fundraising events that benefitted the USCL Educational Foundation: Big Thursday, Give Local Lancaster, Give 4 Garnet, and an ongoing commemorative brick fundraiser.

**Conclusion: USCL and the community**

University of South Carolina Lancaster is a vital part of our community. We provide accessible and affordable higher education led by staff and faculty who are experts in their fields. Beyond the classroom, we strive to develop the student as a whole person through co-curricular and extracurricular activities. As an institution and as individuals, we work to enhance our community socially and economically. In 2022-2023, USCL faculty participated in 457 service activities. USCL faculty and staff led students in eleven fundraisers and supplies drives that benefitted community service organizations and K12 schools. Faculty, staff, and students participated in two work days to serve the community. It is clear that members of our service area value our work: our enrollments are stable, and our finances are growing. The Lancaster community has invested in our campus: Lancaster County is reimbursing the cost of textbooks and supplies for County residents attending USCL; the Lancaster County Commission on Higher Education is providing scholarship funding for travel study; Lancaster

County and Comporium have provided funding for the Gaming Lancers practice room and equipment; and MUSC is providing funding for an athletic trainer. We're recognized by external reviewers as the #1 ranked community college in South Carolina, one of the top community colleges in the United States, and, in partnership with USC, providers of the #1 ranked RN program in South Carolina.
