Explanation of Fiscal Impact

State Expenditure

This bill requires the Department of Health and Environmental Control to establish the Maternal Morbidity and Mortality Review Committee. The Committee is required to gather and review data regarding maternal deaths (defined as occurring within one year of pregnancy), develop strategies to prevent maternal deaths, disseminate their findings, and report to the General Assembly. Committee members are to serve without compensation or reimbursement for expenses. All records obtained or generated by the Committee are considered confidential.

The Department of Health and Environmental Control reports that this bill would have no expenditure impact on the General fund, Federal Funds, or Other Funds.
