State Expenditure

This bill allows a pharmacist to dispense a substitute for a specific biological product prescribed by a physician, dentist, or other health care practitioner, subject to requirements and conditions similar to those allowing a pharmacist to substitute a generic drug for a brand name drug. In addition, the bill requires the Board of Pharmacy to maintain a website link to biological products the federal Food and Drug Administration has determined to be interchangeable with another biological product.

Department of Labor, Licensing, and Regulation. The expenditure impact on the department is undetermined, pending a response from the agency.
