**Explanation of Fiscal Impact**

**Introduced on January 10, 2017**

**State Expenditure**

This resolution asks Congress, under the provisions of Article V of the Constitution of the United States, to call a convention of the states for the purpose of proposing new amendments to the United States Constitution. This resolution would have no fiscal impact, unless two-thirds of the states apply for such a convention and South Carolina delegates attend and receive expense payments. Because expenditures are contingent upon the action of other states, the expenditure impact of this resolution is undetermined.
