

SOUTH CAROLINA REVENUE AND FISCAL AFFAIRS OFFICE
STATEMENT OF ESTIMATED FISCAL IMPACT
(803)734-0640 • RFA.SC.GOV/IMPACTS

Bill Number: H. 3127 Prefiled on December 18, 2018
Author: Dillard
Subject: Mold Abatement and Remediation Study Committee
Requestor: House Medical, Military, Public, and Municipal Affairs
RFA Analyst(s): Miller
Impact Date: January 8, 2019

Fiscal Impact Summary

This bill has an undetermined expenditure impact on the General Fund for various state agencies because the Mold Abatement and Remediation Study Committee may choose what agencies to seek assistance from and how much assistance to request from those agencies.

Explanation of Fiscal Impact

Prefiled on December 18, 2018

State Expenditure

This bill creates a Mold Abatement and Remediation Study Committee. The committee must study public policy issues related to mold in public buildings in the state, ascertain the impact of mold on public health, and propose policy to remediate, abate and proactively prevent mold in public buildings, among other responsibilities. The committee must provide a report to the General Assembly by December 31, 2019, at which time it will dissolve.

The committee will be comprised of three members from the House of Representatives appointed by the Speaker of the House and three members from the Senate appointed by the President of the Senate. The members of the committee will serve without mileage, per diem, or subsistence. Additionally, the staffing for this committee will be provided by the General Assembly and will be managed with existing staff and within existing appropriations. Therefore, the bill does not have an expenditure impact on the General Fund for the Senate or the House of Representatives.

Further, the bill specifies the committee will seek assistance from state agencies, including, but not limited to, the Department of Health and Environmental Control and the Department of Education. As the committee may choose both whom to seek assistance from and how much assistance to request, the potential impact to the General Fund for various state agencies in providing assistance is undetermined.
