### **Explanation of Fiscal Impact**

#### **Amended by the House of Representatives on March 19, 2019**

##### **State Expenditure**

This bill defines reduction of coverage to include the removal of coverage, less coverage, or the addition of an exclusion made by the insurer for purposes of automobile insurance. Additionally, the insurer does not have to provide notice of cancellation if it has manifested a willingness to renew a policy with a reduction in coverage so long as notice of the reduction is provided and meets the requirements as outlined in the bill. DOI's director or his designee will be provided the notice of reduction of coverage upon request when investigating a consumer complaint or when otherwise requested. Also, the director or his designee may issue guidance to an insured or to the industry regarding the form and contents of the notice of reduction of coverage in response to consumer inquiries or complaints. Currently, an insurer is not required to provide notice or a reduction in policy coverage.

DOI anticipates being able to manage any responsibilities arising from the need to request and review notices of reduction of coverage and providing guidance to the insurance industry as these are actions within the normal scope of business for DOI. Therefore, this bill will have no expenditure impact on DOI.
