Explanation of Fiscal Impact

Prefiled on November 10, 2021

State Expenditure

This bill authorizes the use of investigational drugs or treatments for certain patients who contract an infection, illness, or other health condition caused by a declared epidemic or pandemic disease. After considering and exhausting all other treatment options currently approved by the United States Food and Drug Administration, a treating physician may give informed consent in writing to an eligible patient to use an investigational drug, biological product, or device for treatment of the declared epidemic or pandemic disease.

Department of Health and Environmental Control. This bill will have no expenditure impact on DHEC because it does not materially impact the duties or operations of the agency.

Department of Labor, Licensing and Regulation. Under the regulation of LLR, the Board of Medical Examiners is the licensing board for physicians in South Carolina. The expenditure impact of this bill on LLR is pending, contingent upon a response from LLR.
